ART of Success—Focus on Recruitment

Presented By: Diane Nixon, 2008-2009 President of ABWA Maia Chapter

New Member Recruitment is a critical area for any volunteer organization today including each growing ABWA group. The 2006-2007 National Board of directors identified recruitment, member retention, programming and branding as areas to focus additional resources for engaging members and Ambassadors. The "working title" of these tools is ART of Success, which stands for Additional Resource Tools for chapters and express networks.

Diane Nixon, 2006-2007 National Secretary-Treasurer, will share with us the great ideas last year's board developed focusing on Member Recruitment. Help jump start the new chapter year and help ABWA and Maia Chapter grow!

Please join us at the Weber's Inn (3050 Jackson Road, Ann Arbor) on Tuesday, August 19, 2008. Networking begins at 6 p.m., with dinner served at 6:30 p.m., and the program beginning at 7:30 p.m.

Reservations and pre-payment ($18.00) are required by noon August 13, 2008.
