

Work/Life Balance: A Juggling Act in Life

Do you have trouble juggling all of the responsibilities in your life? Is self-care something that is foreign to you? Would you welcome suggestions that you haven't thought of? ***Then this meeting is for you!***

Attendees will explore ways we have all tackled these issues and come up with a solid list we can refer to when needed. One of the main benefits of belonging to ABWA is receiving support through all areas of life. Come and experience the ABWA sisterhood!
