The Mission of the American Business Women's Association

is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

Changing Women's Lives... One Woman at a Time.

For more information about our Chapter, contact Sharon Walker at walkers@umich.edu or visit our website at www.abwa-maia.org

Natalie Luke's mother was a trailblazer in her field. She became a physician in her early 30s during an era when women were not even supposed to drive! In reflecting on her mother's accomplishments, Natalie has mapped out her mom's secret sauce of transforming her life and her family's future.

As an attendee, you will:

- Learn how to access and trust your intuition to identify your highest self and purpose
- Recognize the mindsets that we women unconsciously use that hold us back from success
- Discover the two parts of your brain that you can use to achieve your dreams
- Identify tools to turn obstacles into stepping-stones.

This is a FREE Live Online event.
